Hello Nili,

Glad to make your acquaintance. Please call me on my cell when you can – 972-54-3051140.

In general, what we would like to suggest is for Mr. Barak to authorize an English language op-ed on the subject of importance of inclusiveness in the Jewish world with regard to intermarried couples and their offspring, as articulated in selection of Michael Douglas as a second Laureate of the Genesis Prize and during the Prize events in Jerusalem in June. We will then endeavor to ensure prominent placement.

With high regards,

Arik Elman
Communications advisor for Genesis Prize in Israel

Dear Nili,

I hope you've been well since our correspondence earlier this summer regarding the Genesis Prize.
With this email, I would like to introduce you to our communications head in Israel, Arik Elman, who would like to connect with Mr. Barak regarding a suggestion for an article related to the Genesis Prize. What would be the best way to connect Arik?

Many thanks, and all best wishes,
Julian
